## Dallas County Community College District

### Associate in Science Degree in Business

#### STUDENT DATA:

NAME: ROADMAP'S DEGREE

SSN: 000-00-0000

Credit Required	Potential Credit
--------------------	---------------------

#### Composition I (ENGL 1301) [EN024A]

3.00

(Prerequisite: One of the following must be met: -1 Developmental Reading 0093 AND Developmental Writing 0093; - 2 English as a Second Language ESOL 0044 AND 0054; or - 3 have met Texas Success Initiative (TSI) Reading and Writing standards. This course focuses on student writing. It emphasizes reading and analytical thinking and introduces research skills. Students practice writing for a variety of audiences and purposes. College credit by examination may apply.)

{DANTES Code = 11.07.00}

#### Composition II (ENGL 1302) [EN024A]

3.00

(Prerequisite: English 1301 and have met Texas Success Initiative (TSI) standard in Reading and Writing. In this course students refine the writing, research, and reading skills introduced in English 1301. A related goal is the development of critical thinking skills. Writing assignments emphasize argumentation and persuasion. Students will also write a formal research paper. College credit by examination may apply.)

{DANTES Code = 11.07.00}

#### Fundamentals of Public Speaking (SPCH 1315) [CM001A]

3.00

(Prerequisite: One of the following must be met: - 1 Developmental Reading 0093 AND Developmental Writing 0093; - 2 English as a Second Language ESOL 0044 AND 0054; or - 3 have met Texas Success Initiative TSI Reading and Writing standards. An introductory course to develop the student's skills, knowledge, and understanding of the public speaking process. Topics include the principles of reasoning, audience analysis, collection of materials, outlining, and delivery. Emphasis is on the oral presentation of well-prepared speeches, using computer technology when appropriate. College credit by examination may apply.)

{DANTES Code = 04.10.00}

#### Mathematics for Business and Economics (MATH 1324)

3.00

(Prerequisite: Two years of high school algebra and an appropriate assessment test score or Developmental Mathematics 0099 or Developmental Mathematics 0093. This course includes equations, inequalities, matrices, linear programming; linear, quadratic, polynomial, rational, exponential, and logarithmic functions; and probability. Applications to business and economics problems are emphasized. College credit by examination may apply.)

{DANTES Code = 14.02.01}

**Lab Sciences****8.00**

(Select two from the list below:

Biology 1406, 1407, 1408 and 1409

Chemistry 1405, 1407, 1411, 1412;

Geology 1401, 1403, 1404, 1445

Physics 1401, 1402, 1405, 1407, 1411, 1412, 1415, 1417, 2425, 2426

College credit by examination may apply. Visit the DCCCD website for a description of these courses. NOTE: This requirement cannot be met by using the following combinations: BIOL 1406 and 1408; CHEM 1405 and 1411; PHYS 1401 and 1405; PHYS 1401 and 2425; PHYS 1405 and 2425.)

**History of the United States (HIST 1301) [HI001A]****3.00**

(Prerequisite: Developmental Reading 0093 or English as a Second Language ESOL 0044 or have met the Texas Success Initiative - TSI standard in Reading. The history of the United States is presented, beginning with the European background and first discoveries. The pattern of exploration, settlement, and development of institutions is followed throughout the colonial period and the early national experience to 1877.)

{DANTES Code = 20.07.05}

**History of the United States (HIST 1302) [HI001A]****3.00**

(Prerequisite: Developmental Reading 0093 or English as a Second Language (ESOL) 0044 or have met the Texas Success Initiative (TSI) standard in Reading. The history of the United States is surveyed from the Reconstruction era to the present day. The study includes social, economic, and political aspects of American life. The development of the United States as a world power is followed.)

{DANTES Code = 20.07.05}

**American Government (GOVT 2301) [PO077A]****3.00**

(Prerequisite: Developmental Reading 0093 or English as a Second Language (ESOL) 0044 or have met the Texas Success Initiative (TSI) standard in Reading. This course is an introduction to the study of political science. Topics include the origin and development of constitutional democracy (United States and Texas), federalism and intergovernmental relations, local governmental relations, local government, parties, politics, and political behavior. To ensure transferability, students should plan to take both Government 2301 and 2302 within the DCCCD.)

{DANTES Code = 20.08.01}

**American Government (GOVT 2302) [PO077A]****3.00**

(Prerequisite: Developmental Reading 0093, English as a Second Language (ESOL) 0044 or have met the TASP/Alternative Assessment Standard in Reading. The three branches of the United States and Texas government are studied. Topics include the legislative process, the executive and bureaucratic structure, the judicial process, civil rights and liberties, and domestic policies. Other topics include foreign relations and national defense. To ensure transferability, students should plan to take both Government 2301 and 2302 within the DCCCD.)

{DANTES Code = 20.08.01}

**Principles of Economics I (ECON 2301) [EC008A] 3.00**

(Sophomore standing is recommended. An introduction to principles of macroeconomics is presented. Economic principles are studied within the framework of classical, Keynesian, monetarist and alternative models. Emphasis is given to national income determination, money and banking, and the role of monetary and fiscal policy in economic stabilization and growth. Other topics include international trade and finance.)

{DANTES Code = 20.05.00}

**Principles of Economics II (ECON 2302) [EC009A] 3.00**

(Prerequisite: Sophomore standing is recommended. The principles of microeconomics are presented. Topics include the theory of demand, supply, and price of factors. Income distribution and theory of the firm are also included. emphasis is given to microeconomic applications of international trade and finance as well as other contemporary microeconomic problems. College credit by examination may apply.)

{DANTES Code = 20.05.00}

**Humanities / Visual and Performing Arts Elective 9.00**

(Select one from each of the following:

Arts 1301, 1303, 1304, Dance 2303,

Drama 1310, 2366, Humanities 1301, Music 1306, 1308, 1309

English 2321, 2322, 2323, 2326, 2327, 2328, 2331, 2332, 2333

Cultural Studies 2370; History 2321, 2322, 2380, 2381; Philosophy 1301, 2306, 2307, 2316, 2317; Religion 1304

College credit by examination may apply. Visit the DCCCD website for a description of courses available.)

**Beginning Physical Fitness (PHED 1164) 1.00**

(Students are introduced to wellness related concepts and activities for the purpose of gaining knowledge and skills necessary to evaluate personal fitness level and to develop a personal lifelong fitness program. Activities include, but are not limited to: aerobics, circuit training, muscular development, flexibility, agility exercises, weight training and body composition. This course is cross-listed as PHED 1301. The student may register for either PHED 1164 or PHED 1301, but may receive credit for only one of the two.)

**Business Computer Applications (BCIS 1405) 3.00**

(The main focus of this course is on business applications of software, including word processing, spreadsheets, databases, presentation graphics, and business-oriented use of the Internet. Topics include computer terminology, hardware, software, operating systems, and information systems.)

**Principles of Accounting I (ACCT 2301, 2401) [AC025A] 3.00**

(College credit by examination may apply. Visit the DCCCD website for a description of these courses.)

{DANTES Code = 03.01.00}

**Principles of Accounting II (ACCT 2302, 2402) [AC025A] 3.00**

(College credit by examination may apply. Visit the DCCCD website for a description of these courses.)

{DANTES Code = 03.01.00}

**Business Calculus and Applications I (MATH 1325) 3.00**

(Prerequisite: MATH 1324, MATH 1314 or MATH 1414.

This course includes limits, differential calculus, integral calculus, and appropriate applications. This course is cross-listed as Math 1425. The student may register for either Math 1325 or Math 1425, but may receive credit for only one of the two. College credit by examination may apply.)

{DANTES Code = 14.04.00 or 14.04.01}

**Business Calculus and Applications II (MATH 1425) 3.00**

(Prerequisite: MATH 1324, MATH 1314 or MATH 1414.

This course includes limits, differential calculus, integral calculus, and appropriate applications. This course is cross-listed as Math 1325. The student may register for either Math 1425 or Math 1325, but may receive credit for only one of the two. College credit by examination may apply.)

{DANTES Code = 14.04.00 or 14.04.01}

**Excess or Duplicate Credit**

<b>TOTAL .....</b>	<b>63.00</b>	<b>0.00</b>
--------------------	--------------	-------------

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.

- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.

- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the

SOC web site at: [www.soc.aascu.org](http://www.soc.aascu.org) should you wish to learn more about the course transfer guarantees among SOC network institutions.

**IMPORTANT NOTE:** When you are ready to seek admission into this degree program, please contact the USCG Institute at 1-405-954-7241. Your advisor will send the college or university an official U.S. Coast Guard Institute transcript, a copy of the degree plan, and a ready-for-signature SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion committing the college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

#### DEGREE PLAN LEGEND:

SH = Semester hours  
VOC = Vocational, not relative to an academic degree  
LL = Lower Level, i.e. courses at the Freshman/Sophomore level  
UL = Upper Level, i.e. courses at the Junior/Senior level  
GL = Graduate Level (sometimes recommended by ACE for very complex courses)  
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes\*  
{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes \*\*

\* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

\*\* DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider

the opportunities the courses in the DISC present. For more information, visit [http://www.dantes.doded.mil/dantes\\_web/distancelearning/disc/front/cont.htm](http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm) Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

#### Dallas County Community College District Information:

The Dallas County Community College District (DCCCD) comprises seven colleges located strategically throughout Dallas County. Anyone in Dallas County has only a short drive, bus or train ride to reach the nearest college. In May 1965, Dallas County voters created the Dallas County Junior College District. The next year, El Centro College began serving students in downtown Dallas. Eastfield College in Mesquite and Mountain View College in southwest Dallas enrolled their first students in 1970. Richland College opened two years later in north Dallas. DCCCD's expansion, and construction began on three more colleges. Cedar Valley College in Lancaster and North Lake College in Irving opened in 1977, followed by Brookhaven College in Farmers Branch in 1978.

Today the Dallas County Community College District (DCCCD) enrolls over 100,000 credit and non-credit students every semester, making it one of the largest higher education institutions in the State of Texas. They prepare students to become productive and responsible members in communities that are increasingly diverse in a world that continues to change dramatically. They provide students with academic, technical, work and life skills, as well as the self-confidence to be successful in the workplace, community, and in other endeavors.

The Dallas County Community College District is a member of the League for Innovation in the Community College. The League is comprised of 19 outstanding community colleges and districts throughout North America. The League Alliance includes more than 700 community and technical colleges from around the world. The League's purpose is to encourage innovation, experimentation, institutional transformation, and the continuing development of the community college movement internationally. Membership commits the District to research, evaluation and cooperation with other community college districts. The goal is to serve the community with the best educational programs and to make a positive difference in the lives of students. See <http://www.league.org/welcome.htm> for more information about the League for Innovation.

The options for distance learning are accessible to students locally, nationally and internationally. DALLAS TeleCollege is the DCCCD's "virtual campus." This virtual campus gives students the ability to access college courses without having to come to the campus locations. DALLAS TeleCollege continuously increases access to DCCCD programs and courses offered via distance learning by coupling instruction that can be offered at a true-distance, without campus-based requirements, with an array of student services accessible to students anywhere, anyplace. DALLAS TeleCollege offers everything you need, virtually.

Distance learning courses are offered in a number of formats. Each format may utilize a variety of learning technologies, such as video and CD-ROM, which are designed to enhance the learning experience. Course formats are either offered

completely at a distance or require on campus visits.

Tuition per 3 semester hour course is \$99 in Dallas Country, \$180 in the state of Texas, and \$453 outside the state of Texas. (subject to change)
